

Dear Campers,

The camping season is upon us and we have some changes at Pulpit Rock Campground to share with you.

This year's season runs from April 1st to October 31st.

We now offer "day of arrival" reservations. On the day you will arrive to start your stay with us give us a call (563-382-9551). If there are sites available we will process a registration for you and reserve a site so that you know when you get here we will have a spot available for you.

The sites at the campground have been renumbered to eliminate duplication of numbers between tent and trailer sites. The tent sites are all numbered between 1 and 99. Trailer sites on the Pulpit Rock side are numbered between 100 and 199. Trailer sites on the Twin Springs side are numbered between 200 and 299. The maps are posted on our website.

We have simplified our rate structure. Tent sites without electricity are \$15. Tent sites that have electricity are \$18. Trailer sites with 30 Amp service are \$22 and those sites offering 50 Amp service are \$24. Additional tents at either tent or trailer sites are \$15. There will be a senior discount (65+) on trailer sites of \$2 per night (excluding Fridays, Saturdays and holidays). Storage is available (excluding Fridays, Saturdays and holidays) at \$14 per night.

Thank you for your past patronage! We look forward to seeing you this summer.

Doug Schroeder
Campground Superintendent
